H.R. Rep. No. 840, 24th Cong., 1st Sess. (1836)

ROBERT FRAZIER.

[To accompany bill H. R. No. 742.]

JULY 1, 1836.

Mr. DOUBLEDAY, from the Committee on Invalid Pensions, made the
following

REPORT:

*The Committee on Invalid Pensions, to which was referred the petition
of Robert Frazier, report :*

Petitioner was a private in a company of mounted men commanded by
Capt. Samuel Judy, in the years 1812 and 1813. The said captain depo-
ses, that petitioner was present in the attack upon the Kickapoo town, and
was wounded. John D. Whiteside, whose credibility is not certified, swears
that he saw petitioner in deadly conflict with an Indian, in which peti-
tioner was victorious and slew the savage, and that petitioner was injured
in the groin as deponent understood and believes. Two practising physi-
cians certify, on oath, that petitioner is disabled by inguinal or scrotal hernia.
Petitioner gives a detailed and consistent statement of the manner and cir-
cumstances of his injury. Your committee are satisfied, from the testimony
in this case, that petitioner is now disabled in consequence of injuries
received in the public service, and therefore report a bill.
