VOLUME 4, NUMBER 3

SEPTEMBER, 2018

Editor's Introduction

Welcome to the third issue of Volume 4 of the University of Oklahoma College of Law's *Oil and Gas, Natural Resources, and Energy Journal* (ONE J). In this third issue, ONE J proudly presents the 2018 edition of the Annual Survey of Developments in Oil and Gas Law in partnership with the law firm of Steptoe & Johnson, PLLC. This survey covers oil and gas law decisions and developments from a select number of states and sovereign lands that took place between August 1, 2017 and July 31, 2018. Each update was authored by attorneys from Steptoe & Johnson and edited by ONE J editors and candidates. Please note that several the decisions discussed in this edition are unpublished. Accordingly, please check with your local rules about citing to unpublished opinions.

This issue would not have been possible without the efforts of the attorneys at Steptoe & Johnson, but the Journal would like to specifically thank two individuals. First, thank you to Mr. Kurt Krieger of Steptoe & Johnson for organizing this year's survey by coordinating each submission. And second, thank you to Mr. Michael Waters for his efforts and expertise to make this issue available for our readers.

As always, ONE J welcomes all questions, comments, and suggestions about our content. To submit articles, please contact our Submissions Editor, Erica Grayson at erica.grayson@ou.edu. Finally, please make sure to follow us on Twitter [@ONEJ_OULaw](https://twitter.com/ONEJ_OULaw) for updates and announcements.

Thank you,
Collin McCarthy
