ROBERT FRAZIER.
[To accompany bill H. R. No. 362.]

JANUARY 9, 1838.

Mr. STANLY, from the Committee on Invalid Pensions, made the following

REPORT:

The Committee on Invalid Pensions, to which was referred the petition of
Robert Frazier, report:

That they have examined the memorial and accompanying papers, and find
that the Committee on Invalid Pensions made a favorable report at the last Con-
gress; that they fully concur in that report, and therefore report a bill accordingly.
The report to which they refer is as follows:

Petitioner was a private in a company of mounted men commanded by Captain
Samuel Judy, in the years 1812 and 1813. The said captain deposes that peti-
tioner was present in the attack upon the Kickapoo town, and was wounded.
John D. Whiteside, whose credibility is not certified, swears that he saw petitioner
in deadly conflict with an Indian, in which petitioner was victorious, and slew the
savage, and that petitioner was injured in the groin, as deponent understood and
believes. Two practising physicians certify, on oath, that petitioner is disabled
by inguinal or scrotal hernia. Petitioner gives a detailed and consistent statement
of the manner and circumstances of his injury. Your committee are satisfied,
from the testimony in this case, that petitioner is now disabled in consequence of
injuries received in the public service, and therefore report a bill.
