REPORT

FROM

THE SECRETARY OF THE TREASURY,

TRANSMITTING,

In compliance with a resolution of the Senate, statements showing the expenditures of the Government from 1824 to 1839, inclusive.

MAY 7, 1840.

Read, and ordered to be printed, and that 30,000 additional copies be sent to the Senate.

TREASURY DEPARTMENT, *May 4, 1840.*

SIR: I have the honor to submit this report, in compliance with the following resolution passed by the Senate on the 24th ultimo:

“ *Resolved*, That the Secretary of the Treasury report to the Senate the aggregate amount of all expenditures or payments of every kind from the Treasury in each year, from 1824 to 1839, inclusive, in one column; and, in another column for each year, the aggregate amount, independent of the payments on account of the public debt, whether funded or unfunded; and, in a third column, the aggregate amount for permanent and ordinary purposes, excluding payments on account of objects either extraordinary or temporary—such as the public debt; trust funds and indemnities; claims of States for war debts, or three per cents on lands sold; occasional donations in money to objects in the District of Columbia, or otherwise; survey of the coast; taking the census; duties refunded; the exploring expedition, and materials collected for the gradual improvement of the navy; durable public buildings of all kinds; bridges and fortifications; all roads, canals, breakwaters, and improvements in rivers and harbors; arming militia and forts; all pensions, except those to invalids, and the purchases of title to lands from Indians; the removal of Indians, and their wars; with such other payments as may have been made in those years for property lost, or injuries committed, during any hostilities.”

This resolution was on the same day referred to the Register of the Treasury, with instructions to prepare a tabular statement containing the information desired, in three separate columns. It is hereto annexed, marked A.

He was requested also to prepare another statement showing the specific sum which had been deducted each year on account of each item mentioned in the resolution as either extraordinary or temporary. Believing that this would be highly useful, as showing the details on which the general results in the third column of the first statement rest, and as embracing many statistical facts possessing in themselves much interest, I have annexed it, marked B.

Unless some accidental omission or other error has occurred, these two statements will present all the information desired by the resolution.

With high respect,

LEVI WOODBURY,
Secretary of the Treasury.

Hon. R. M. JOHNSON,
*Vice President of the United States, and
President of the Senate.*
