VOLUME 7, NUMBER 2

DECEMBER, 2021

Editor's Introduction

Welcome to the second edition of Volume 7 of the University of Oklahoma College of Law's Oil and Gas, Natural Resources, and Energy Journal (ONE-J). This edition consists of an Annual Survey of Development on oil and gas law through 2021, accomplished through our partnership with Steptoe & Johnson, PLLC. Each year, some of the very best oil and gas attorneys throughout the United States at Steptoe & Johnson collaborate, provide research, and author updates covering a vast array of oil and gas topics, including legislative updates and various court rulings across several oil and gas producing states.

I, alongside the entirety of ONE-J, want to also immensely thank Steptoe & Johnson and the attorneys who participated in providing research and authoring state articles in this edition. In particular, I would like to thank Mr. Kurt Krieger, for coordinating and facilitating this edition. This edition would not have been accomplished without each of you, and we look forward to your continued partnership with our journal.

I would also like to thank Mr. Michael Waters for assisting our journal in publishing this edition, and for his continued efforts dedicated towards our journal's success. Thank you, from the bottom of our hearts, Mr. Waters, for your assistance.

In addition, I would also like to thank our faculty advisor, Professor M. Alex Pearl, for his guidance and oversight not only for this edition but for every edition during his tenure as our ONE-J faculty advisor. Our success would not be possible, to any degree, without his leadership and eagerness to assist our journal.

That said, we hope you enjoy this edition. Our student editors have contributed countless hours towards this edition's completion. For questions, comments, and suggestions, please email piperhampton@ou.edu.

Many Thanks,
Piper B. Hampton
