*Oil and Gas, Natural
Resources, and Energy Journal*

VOLUME 8, NUMBER 2

DECEMBER, 2022

Editor's Introduction

Welcome to the Second Edition of Volume 8 of the University of Oklahoma College of Law's Oil and Gas, Natural Resources, and Energy Journal (ONE-J).

In partnership with ONE-J, the esteemed attorneys at Steptoe & Johnson, PLLC have authored their Annual Survey of Development on oil and gas law through 2022. Throughout the year, the Survey's expert authors collect and analyze the developmental oil and gas cases and legislation arising in the producing states—this resultant edition provides a reliable, ready, readable resource for oil and gas practitioners across the country.

ONE-J is privileged to work in collaboration with Steptoe & Johnson. This Survey presents our brilliant student candidates with a powerful opportunity to participate in the diverse and engrossing issues of oil and gas law. In particular, ONE-J owes its thanks to Mr. Kurt Krieger; this edition would not have been possible without his leadership and coordination. On behalf of all of our law review student members and candidates, thank you for your continued partnership.

As with any edition, I cannot overstate the gratitude our law review owes to Mr. Michael Waters; his practical guidance and publication prowess are the bedrock of our Journal's success.

After countless hours of authorship and student revision, we welcome you to explore and enjoy this edition's exciting updates. Thank you for supporting ONE-J, and for your readership.

As always,

Hank Herren
