*I. Introduction*

The following is an update on Kansas legislative activity and case law relating to oil, gas and mineral law from August 1, 2022, to July 31, 2023.

*II. Legislative and Regulatory Developments*

There have not been any significant legislative or regulatory developments affecting Kansas Oil and Gas Law from August 1, 2022, to July 31, 2023.

We note the Federal government allocated \$58.6 million to plug thousands of orphan oil and gas wells in Kansas because they have been abandoned by owners and threaten water supplies or pose other environmental hazards.

*III. Judicial Developments*

There have not been any significant judicial or case law developments affecting Kansas oil and gas law from August 1, 2022 to July 31, 2023.
