I. Introduction

This article provides an update concerning notable oil and gas law developments in the state of Nevada from August 1, 2022, through July 31, 2023, and focuses on major legislative and regulatory enactments and relevant developments in Nevada common law.

II. Legislative and Regulatory Developments

The Nevada Legislature's regular session adjourned on June 6, 2023, and a special session of the Nevada Legislature began on June 7, 2023, and adjourned on June 14, 2023. During the examination period of this article, the Nevada Legislature did not enact any legislation with significant impacts to the oil and gas industry. Also, no Nevada state agencies enacted regulations affecting the oil and gas industry.

III. Judicial Developments

No significant judicial developments affecting oil and gas law occurred in Nevada state or federal courts during the period covered by this article.
