BESIAH, AN INDIAN.

[To accompany bill H. R. No. 184.]

JUNE 7, 1844.

Mr. COLLAMER, from the Committee on Public Lands, made the following

REPORT:

The Committee on Public Lands, to whom was referred a bill entitled "An act for the relief of Besiah, an Indian," report :

That the land reserved to said Besiah, by the treaty with the Pottawat-omie Indians, and which he now asks privilege to locate, has all been located and at his disposal, agreeably to said treaty, as said committee are informed by the accompanying letter of T. H. Crawford, and therefore report that said bill ought not to pass.

It appearing that the two sections first above named had been sold, either in whole or in part, by the United States, as public lands; and Besiah, the reservee, through his agent, alleging that the two other sections were useless to him, the land being worthless, application was made to me, at various times, to permit a relocation to be made of the entire reservation. I duly considered the proposition, and decided that, as (under the construction given to the grant by the Attorney General) the reservee can sell only to the United States, it is inexpedient to change the selections. That
