RESOLUTIONS

OF THE

LEGISLATURE OF NORTH CAROLINA,

RELATIVE

To the provision of a permanent home for the Indian tribes.

FEBRUARY 8, 1849.

Laid upon the table, and ordered to be printed.

RESOLUTIONS concerning the improvement of the Indian tribes.

Whereas the condition of the various Indian tribes upon the western frontiers of the United States appeals to the humanity and justice of the general government to devise some plan, by which a permanent home may be secured to them; by which their existence as a people may be secured and perpetuated; by which their moral, intellectual, and social condition may be improved, and the blessings of civilization and civil liberty at length be secured to them.

1. *Be it therefore resolved, &c.*, That we recommend this subject to the serious consideration of the Congress of the United States, that, in the exercise of their wisdom, they may mature a plan by which the Indian tribes inhabiting our western territory may be placed more directly under the paternal care of the general government, by which a specific region of country may be set apart for their permanent abode, secured to them forever against further encroachment, and undisturbed by the great current of western emigration; by which their moral, intellectual and social condition may be improved and elevated; by which the blessings of education, civilization and Christianity may be imparted to them; by which they may all be brought together and united in one grand confederation, and thus prepared for the enjoyment of civil and religious liberty; and if found practicable, they may be ultimately admitted into our federal Union.

2. *Resolved*, That his excellency the governor of the State, be requested to transmit a copy of these resolutions to each one of our senators and representatives in the Congress of the United States, that the same may be laid before their respective houses.

Read three times, and ratified 29th day of January, 1849.

ROB. B. GILLIAM,
Speaker of the House of Commons.
