PENSION OFFICE, December 7, 1850.

JAS. E. HEATH, *Commissioner of Pensions.*

Doc. No. 7.

DEPARTMENT OF THE INTERIOR,  
*Office Indian Affairs, November 30, 1850.*

SIR: I have the honor to transmit, herewith, duplicate statements of the expenditures from the contingent fund of this office, for the fiscal year ending the 30th June, 1850, in accordance with the 20th section of the act entitled "An act legalizing and making appropriations for such necessary objects as have been usually included in the general appropriation bills without authority of law, and to fix and provide for certain incidental expenses of the departments and offices of the government, and for other purposes," approved August 26, 1842.

I deem it proper to state that I am apprized of the fact that there are yet some accounts against this office contracted during that period and payable out of this fund. As they are not paid, and are not included in this statement, they must necessarily enter into the expenditures of a similar nature for the fiscal year ending 30th June, 1851.

Owing to the decease of the gentleman acting as the disbursing agent of this office, and the absence of his successor, I am unable to furnish the analytical statement and receipts required by the last clause of the section.

Very respectfully, your obedient servant,

L. LEA, *Commissioner.*

HON. A. H. H. STUART,  
*Secretary of the Interior.*

*Statement of expenditures in the office of the Commissioner of Indian Affairs, on account of contingencies, in the fiscal year ending June 30, 1850.*
