LETTER
OF
THE SECRETARY OF THE INTERIOR,

COMMUNICATING

An estimate of appropriations to supply deficiencies in the appropriations for the Sioux of Dakota, Arickarees, Gros-Ventres, and Mandans, Crows, and Yanktons.

JANUARY 21, 1869.—Referred to the Committee on Indian Affairs and ordered to be printed

DEPARTMENT OF THE INTERIOR,
Washington, D. C., January 21, 1869

SIR: I have the honor to transmit herewith a copy of a communication dated the 20th instant, from the Commissioner of Indian Affairs, submitting an "estimate of appropriations required for supplying deficiencies in the appropriations made for the Sioux of Dakota, Arickarees, Gros-Ventres, and Mandans, Crows, and Yanktons, for the fiscal year ending June 30, 1868, and for subsistence purchased for the Poncas," amounting, in the aggregate, to one hundred and thirteen thousand five hundred and seventy-one dollars and eight cents, (\$113,571 08.)

The reasons for submitting this estimate are fully set forth in the letter of the Commissioner of Indian Affairs, above referred to, and to which the attention of Congress is respectfully invited.

Very respectfully, your obedient servant,

O. H. BROWNING, *Secretary.*

Hon. B. F. WADE,
President pro tempore U. S. Senate.

DEPARTMENT OF THE INTERIOR,
Office of Indian Affairs, Washington, D. C., January 20, 1869.

SIR: I have the honor to invite your attention to an estimate of appropriations required to supply deficiencies in the appropriations made for the Sioux of Dakota, the Arickarees, Gros-Ventres, and Mandans, the Crows, and the Yanktons, for the fiscal year ending June 30, 1868, and for subsistence for the Poncas, submitted with office report of the 20th January, 1868, and to state that, in the opinion of this office, the amount asked to supply such deficiencies should be appropriated at the present session of Congress.

By reference to Ex. Doc. No. 110, House of Representatives, 2d session 40th Congress, a statement will be found of the causes of these deficiencies, and the necessity for appropriating funds to supply them. e funds required to improve the reservations of said Indians, to pay

employés, to purchase the necessary stock, &c., to enable the several tribes herein named to successfully carry on their farming operations were used, as stated, to prevent starvation among them, and consequently the objects for which the money was originally intended remain unaccomplished.

The necessity that existed last winter for the appropriation of funds to supply said deficiencies still exists, and in order that justice may be done to these Indians, and that the stipulations of their treaties with the government may be carried out by the department, I respectfully request that the attention of Congress be again invited to the matter, with the view of having the necessary amount—\$113,571 08—appropriated by that body.

I enclose, herewith, a copy of the estimate for this purpose, submitted with office report of January 20, 1868, which can also be found in said Ex. Doc. No. 110.

Very respectfully, your obedient servant,

N. G. TAYLOR, *Commissioner.*
