POTTAWATOMIE INDIANS.

LETTER

FROM THE

SECRETARY OF THE INTERIOR,

RELATIVE TO

*An appropriation for the Pottawatomie Indians.*

---

FEBRUARY 21, 1872.—Referred to the Committee on Appropriations and ordered to be printed.

---

DEPARTMENT OF THE INTERIOR, TRUST FUND,  
*Washington, D. C., February 15, 1872.*

SIR: I have the honor to transmit herewith a report from the Commissioner of Indian Affairs dated the 13th instant, together with the inclosed estimate of appropriations required to carry out the stipulations of the treaties with the Pottawatomie tribe of Indians, dated respectively March 29, 1866, February 27, 1867, and November 15, 1871.

The amount of the estimate is \$61,299 13, and, in view of the facts stated by the Commissioner, the subject is respectfully submitted to Congress for its favorable consideration.

It is also necessary that authority should be obtained from Congress to enable this Department to dispose of so much of the respective stocks held in trust for said tribe as pertains to eighty-six persons, entitled to a *pro rata* share, in order that they may be paid the full amount to which they are entitled at the same time as their proportion of the tribal funds is paid to them, and I therefore have the honor to request that such authority be granted.

I am, sir, very respectfully, your obedient servant,  
C. DELANO, *Secretary.*

Hon. JAMES G. BLAINE,  
*Speaker of the House of Representatives.*

DEPARTMENT OF THE INTERIOR,

SIR: I have the honor to acknowledge the receipt of your letter of the 20th December last, with instructions to prepare and submit to the Department an estimate, to be forwarded to Congress, due certain Pottawatomie Indians, who are found to be entitled to allotments of land

and a proportionate share of the tribal fund, as provided with the treaties with the Pottawatomies of November 15, 1861, (Stat., vol. 12, p. 1191,) March 29, 1866, (Stat., vol. 14, p. 763,) and February 27, 1867, (Stat., vol. 15, p. 531.)

Respectfully referring to office report of the 5th instant, in which the facts and circumstances connected with this case are fully stated, and to the schedule accompanying said report, giving the names of ninety persons, of whom eighty-six are entitled to their *pro rata* share of the tribal fund, and to an allotment of eighty acres of land each, and four entitled to eighty acres of land only, I herewith submit a statement of the annuities and other funds originally pertaining to the Pottawatomie Indians as a tribe, and also of the amount to which the eighty-six persons, above referred to, who have severed their connections with the tribe, are entitled.

In accordance with the terms of the treaty of 1867, the remaining portion of the unallotted lands, after patents had been issued to the Pottawatomie Indians who had received allotments under the treaty of 1861, were sold to the Atchison, Topeka and Santa Fé Railroad Company at the rate of one dollar per acre, leaving none that can be assigned to the ninety persons who have been found to have a just claim to an allotment of eighty acres each under the provisions of said treaty of 1861. To make good this claim by payment of money, in lieu of land at the rate of one dollar per acre, the sum of \$7,200 will be required, which, added to the amount of \$54,099 13, as above, make the total amount due these Indians \$61,299 13.

Of this total the sum of \$15,779 82, in silver and specie, and \$36,950 87, in currency, will have to be appropriated by Congress to enable the Department to fulfill treaty stipulations with the Pottawatomies, \$7,200 of the amount in currency to be reimbursed from the proceeds of the sale of their lands.

It is also necessary that authority should be obtained from Congress to dispose of so much of the respective stocks held in trust for said tribe as pertains to the eighty-six persons entitled to *pro rata* share, in order that they may be paid the full amount to which they are entitled at the same time as their proportion of the tribal funds is paid to them.

I inclose herewith the estimate called for in your letter of the 20th December last.
