RELIEF OF CERTAIN CITIZENS OF OREGON, ETC.

APRIL 21, 1882.—Committed to the Committee of the Whole House and ordered to be printed.

Mr. UPSON, from the Committee on Military Affairs, submitted the following

REPORT:

[To accompany bill H. R. 5905.]

The Committee on Military Affairs, to whom were referred House bills Nos. 1910, 1937, and 2577, having had the same under consideration, respectfully report:

Said bills are to pay the volunteers who joined or assisted the forces of the United States in the State of Oregon, or in the Territory of Idaho, Washington, or Montana, during the war with the Nez Percé Indians in the year 1877, and the war with the Bannock Indians in 1878, for their services, horses and arms lost, as such volunteers in said wars; also to give to all of said volunteers who were wounded or disabled, or to the heirs of all those volunteers who were killed in such service, the benefit of the pension laws, in the same manner and to the same extent as if they had been duly mustered into the regular or volunteer forces of the United States.

Your committee find that the volunteers in the Territory of Montana are not entitled to the relief sought, as the same was granted by an act of Congress approved March 3, 1881, similar to the bills now under consideration.

While these volunteers were not mustered into the regular service of the United States Army, they were attached to the command of United States troops in the Department of the Columbia, and acted with said troops, rendering valuable and faithful services during said wars, under the orders and immediate command of officers of the Regular Army of the United States, as will appear from the accompanying orders, which are made a part of this report.

At the second session of the Forty-sixth Congress, the Committee on Military Affairs of the House, upon a bill similar to the bills now under consideration, and relating to the same service, concluded their report as follows: "The committee, in view of these facts, recommend that these volunteer soldiers be paid \$1 per day, that the sufferers be placed on the pension rolls, and that the property lost and destroyed in the United States service be paid for." In which your committee substantially concur, and therefore in lieu of said bills Nos. 1910, 1937, and 2577, report back the accompanying bill as a substitute, and recommend its passage.

HEADQUARTERS DEPARTMENT OF THE COLUMBIA,
Camp Wall, near Jackson's Bridge, I. T., July 10, 1877.

COLONEL: Your message was received this 5 a. m. Captain Jackson is so far from me, and with a heavy train, that I cannot get him word before he gets to Grangeville, though I sent the wagons for Captain Miller, yet owing to the difficulties of crossing the Salmon, and the intense heat, I did not get him forward for yesterday. Please ask the men to be patient so that I may get sufficient force here to make a clean thing of it.

I wish you simply to hold on if you have food and water, standing on the defensive, and then if I push the Indians across the middle fork that you accompany a force, perhaps the whole of mine, to cross at Kamiah. My information is that the Indians purpose to return and attack Mount Idaho, &c.; that they are now 260 strong, and feel bold enough to give us battle. Therefore I cannot and should not go for them with any uncertain numbers. Every day's delay brings Colonel Green nearer to me and gets my strength united. Had I not come this way, Joseph would have taken the back track in this direction, in my judgment, so be encouraged and keep all the brave men you can, barricading your position if necessary. I hope you have provisions for two days.

Yours truly,

O. O. HOWARD,
Brigadier-General, Commanding.

To Col. E. McCONVILLE,
Commanding volunteer forces.

HEADQUARTERS DEPARTMENT OF THE COLUMBIA,
*Camp Williams, left bank south fork of
Clearwater, near mouth of Cottonwood, I. T., 8 p. m., July 12, 1877.*

COLONEL: General Howard wishes me to say to you that if you can harass the retreating Indians, he will be much pleased. Is sorry you did not wait for him, as he is now across the river, and very near to your old camp. The general will be at Grangeville to-morrow. Report to him there.

Very respectfully,

M. C. WILKINSON,
Aide-de-Camp.

Col. E. McCONVILLE,
Commanding volunteer forces.

P. S.—Indians, after a severe fight yesterday and to-day, left in utter route; push them hard.
