PUYALLUP VALLEY RAILWAY COMPANY.

MAY 23, 1888.—Committed to the Committee of the Whole House and ordered to be printed.

Mr. SHIVELY, from the Committee on Indian Affairs, submitted the following

REPORT:

[To accompany bill H. R. 10113.]

The Committee on Indian Affairs, to whom was referred the bill (H. R. 9781) to authorize the construction of the Puyallup Valley Railway through the Puyallup Indian Reservation in Washington Territory, having had the same under consideration, respectfully report:

The committee having carefully considered the facts which involve the rights of the Indians on this reservation, together with the agricultural and industrial growth of the country surrounding this reservation, are unanimous in granting said right of way, as they deem this road a necessity, and therefore report the accompanying substitute for the original bill, with the recommendation that it do pass.
