Very respectfully,

E. M. DAWSON,
Chief Clerk.

The SECRETARY OF THE INTERIOR.

DEPARTMENT OF THE INTERIOR,

SIR: I have the honor to report, in compliance with the direction contained in your letter of October 16, 1890, that a careful inquiry has been made by the assistant commissioner, in connection with the various chiefs of divisions, with the view of ascertaining the number of employés in this office who are below a fair standard of efficiency, and the following result reached: I find, and therefore state, upon the report of the assistant commissioner, that there are on the rolls of this bureau one fourth assistant examiner at \$1,200, one copyist at \$900, and one copyist at \$720, whose services are considered to be below a fair standard of efficiency.

C. E. MITCHELL,
Commissioner.

SALARIES OF EMPLOYÉS OF THE INTERIOR DEPARTMENT. 3

DEPARTMENT OF THE INTERIOR, GENERAL LAND OFFICE,
Washington, D. C., November 7, 1890.

SIR: In response to your request of the 16th ultimo, to furnish, as required by the provision in the legislative, executive, and judicial appropriation bill for the current fiscal year, a report as to the number of employés in this Bureau who are below a fair standard of efficiency, and the salaries of each, I have to state that the matter has been given careful consideration and the following statement, embodying the reports of the various chiefs of division of this office, is submitted:

Divisions.—B, none reported below the standard of efficiency. C, one clerk of class 3 (Union soldiers, inefficient through disease contracted in the service) and one other. Two clerks of class 2; one clerk of class 1, and one copyist at \$900, below a fair standard. D, E, F, G, H, K, L, none reported below a fair standard. M, one copyist at \$900 reported below the standard. N, one clerk at \$1,000 and one copyist at \$900 reported below the standard. P, none reported below the standard. Total, two clerks class 3; two clerks class 2; one clerk class 1; one clerk at \$1,000, and three copyists at \$900.

When the statement was made to the chairman of House Committee on Appropriations on March 28, 1890, by the then Acting Commissioner, in response to a verbal inquiry as to the number of clerks and copyists whose efficiency was below the average of others in their respective grades, that there were about forty persons who might be included within the category, the average was rated at a high grade, and the number of clerks and copyists then stated as below that average was believed to be approximately correct.

Since that date, and when the fact that such report had been made became known to the clerical force of this office, many who were delinquent became inspired with greater zeal, and through diligent application overcame their deficiencies. The result has been extremely beneficial to the whole conduct of official business, and greater efficiency and results have been developed. In many cases persons whose efficiency was not specially marked in the work of the division in which they were then employed, have been transferred to other divisions, where their respective qualifications have had a better scope for development and improvement, and this has also tended to reduce the number of those formerly classed below the average.

The words of the provision of the act referred to, requiring reports to be made concerning those who are below a fair standard of efficiency, have been considerably construed, and in submitting the results of the critical examinations as reported by the respective chiefs of division as to the present standing and rating of their forces as required by the act, I believe that effort has been made to reach just and accurate conclusions.

Very respectfully,

The SECRETARY OF THE INTERIOR.

LEWIS A. GROFF,
Commissioner.

In reply I have the honor to state that I have given the matter careful consideration and feel that justice to the limited and over-worked force of this office requires me to report that not one of its employés falls below such a standard.

Very respectfully,

The SECRETARY OF THE INTERIOR.
