The supervisors shall be appointed by the President of the United States, by and with the advice and consent of the Senate. The total number of such supervisors shall not exceed one hundred and fifty.

Each supervisor of census shall be charged with the performance, within his own district, of the following duties: To propose to the Superintendent of Census the apportionment of his district into subdivisions most convenient for the purpose of enumeration; to designate to the Superintendent of Census suitable persons, and, with the consent of said Superintendent, to employ such persons as enumerators within his district, one for each subdivision, and resident therein, who shall be selected solely with reference to their fitness, and without reference to their political or party affiliations, according to the apportionment approved by the Superintendent of Census.

Each supervisor of census shall, upon the completion of his duties to the satisfaction of the Secretary of the Interior, receive the sum of \$500 in full compensation for all services rendered and expenses incurred by him, except an allowance for clerk hire may be made, at the discretion of the Superintendent of Census.

The compensation of enumerators shall be ascertained and fixed as follows: In subdivisions where the Superintendent of Census shall deem such an allowance sufficient, an allowance not exceeding two cents for each living inhabitant, two cents for each death reported, ten cents for each farm, and fifteen cents for each establishment of productive industry enumerated and returned, may be given in full compensation for all services; and no claim for mileage or traveling expenses shall be allowed in such subdivisions: *Provided*, That the subdivisions to which the above rate of compensation shall apply must be designated by the Superintendent of Census at least one month in advance of the enumeration; and no account of the time occupied in enumeration shall be required for the purpose of ascertaining and determining the compensation of enumerators in such subdivisions. For all other subdivisions rates of compensation shall be fixed in advance of the enumeration by the Superintendent of Census, with the approval of the Secretary of the Interior, according to the difficulty of enumeration, having reference to the nature of the region to be canvassed, and the density or sparseness of settlement, or other considerations pertinent thereto; but the compensation allowed to any enumerator in any district east of the one hundredth meridian shall not exceed an average of four dollars per day of ten hours actual field-work each; and the compensation allowed to any enumerator in any district west of the one hundredth meridian shall not exceed six dollars per working day of equal length.
