[Angus McAuley]
IN THE SENATE OF THE UNITED STATES.

APRIL 30, 1880.—Ordered to be printed.

Mr. Ingalls, from the Committee on Pensions, submitted the following

REPORT:
[To accompany bill S. 1432.]

The Committee on Pensions submit the following report:

Angus McAuley was a soldier in the Seminole and Creek Indian war, and was pensioned at $2 per month from February 7, 1859. He was dropped from the rolls by reason of his residence within the limits of the insurrectionary States. He asks that he may be restored, and files evidence that he did not perform military service in the Confederate army. The committee recommend the passage of the bill with the following amendments: In line 4 strike out the words “place on” and insert “restore to”; in line 7, before “war” insert the words “Creek Indian”; strike out all after the word “war” in line 7, and insert “and pay him a pension from and after the passage of this act.”
