ESTIMATES FOR 1840.

LETTER

FROM

THE SECRETARY OF THE TREASURY,

TRANSMITTING

*The estimate of appropriations necessary for the service of the year 1840.*

DECEMBER 24, 1839.

Laid on the table.

TREASURY DEPARTMENT,  
December 2, 1839.

SIR: I have the honor to transmit, for the information of the House of Representatives, an estimate of the appropriations proposed to be made for the service of the year 1840, amounting to - - \$18,280,600 55

Viz:

Civil list, foreign intercourse, and miscellaneous - - -	\$4,981,344 19
Military service, including fortifications, armories, arsenals, ordnance, Indian affairs, revolutionary and other pensions - - - - -	8,213,610 74
Naval service, including the marine corps - - - - -	5,085,645 62

To the estimates are added statements, showing—

1. The appropriations for the service of the year 1840, made by former acts of Congress, including arming and equipping the militia, civilization of Indians, revolutionary claims, revolutionary pensions under the act of 7th June, 1832, claims of the State of Virginia, gradual improvement of the navy, and public debt - - \$1,586,000 00
2. The existing appropriations which will not be required for the year 1839, and which it is proposed to apply in aid of the service of the year 1840, amounting to - - 3,014,711 80
3. The existing appropriations which will be required to complete the service of the year 1839, and former years, but which will be expended in 1840, amounting to - \$8,270,793 84

There is also added to the estimates a statement of the several appropriations which will probably be carried to the surplus fund at the close of the present year, either because these sums will not be required for, or will no longer be applicable to them, amounting to -

\$541,866 32

I have the honor to be, very respectfully, your most obedient servant,  
**LEVI WOODBURY,**  
*Secretary of the Treasury.*  
*The SPEAKER of the House of Representatives.*

For public debt payable at the Treasury, per act 3d March, 1817	-	10,000
If the sum of \$340,000 should be authorized to be taken from the appropriation for the gradual improvement of the navy as proposed, the sum of \$410,000, out of the \$750,000, which will be due in 1840, under the appropriation for the gradual improvement of the navy, per act of 31st of May, 1838, may be postponed until 1841, without any probable injury to the public interests, if it should be deemed desirable, provided the total amounts which have been, or may be transferred from the gradual improvement, shall be eventually restored by future appropriations	-	340,000

1,586,000

*Note.*—Treasury notes amounting to about \$2,750,00 principal, and \$160,000 interest, and most of which may be redeemed in 1840, are not included in the above.

*Statement accompanying the annual estimates and appropriations, formed in pursuance of the 8th section of the act of the 1st May, 1820.*

HEADS OF APPROPRIATIONS.	Amounts required to complete the service of the present and former years, though they may not be called for until after the close of the year 1839.	Amounts which will not be required for the service of the present year, and may therefore be applied in aid of the service of the year 1840.	Amounts which may be carried to the surplus fund at the close of the present year, either because the objects for which it was appropriated are completed, or because these moneys will not be required for, or will no longer be applicable to them.
