REPORT

FROM

THE SECRETARY OF THE TREASURY,

COMMUNICATING

*Statements of the funds of the Chickasaw Indians.*

JANUARY 26, 1842.

Read, and referred to the Committee on Printing.

JANUARY 27, 1842.

Ordered to be printed.

TREASURY DEPARTMENT,

January 25, 1842.

SIR: In obedience to the directions contained in the 3d section of the act of the 20th April, 1836, I have the honor to submit, for the information of Congress, that, according to the statement accompanying the last report from this Department under the act referred to, dated 15th December, 1840, there appeared to be a balance of \$34,315 70 to the credit of the Chickasaws.

Within the past year, and in the fraction of the year preceding not embraced in the last annual exhibit, there has been brought on the books of the Treasury the sum of \$153,126 77; to wit, \$50,067 50 arising from sales of land in execution of the treaties, and \$103,059 27 for payments on account of interest on stocks for their benefit. The payments from the Treasury during the same period, amount to the sum of \$163,341 62. Taking into view, therefore, the former balance, there remained to the credit of the fund on the 31st ultimo, the sum of \$24,100 85, as shown more in detail by the accompanying statement marked A. There also remained in the hands of the receiver at Pontotoc, as shown by his return ending 31st December last, the sum of \$9,736 82.

A statement (marked B) is also herewith enclosed, showing the quantity of lands sold during the 4th quarter of the year 1840, and the whole of the year 1841.

Under the authority given in a resolution of the Senate dated 21st December, 1840, and in pursuance of the stipulations of the 13th article of the treaty with the Chickasaws dated 24th May, 1834, \$500,000 in Alabama bonds—being part of the stocks invested for their use—were transferred and delivered to the Secretary of War, in the month of February last, to and for the use of the Choctaws, as appears from the accompanying letter from the Department dated 11th February last, marked C.

The stocks held for their benefit now amount to the sum of \$1,585,977 23, as shown in statement marked D herewith enclosed.

Of the Maryland stocks therein enumerated, it is deemed proper to notice that certificate for \$6,577 83 was reimbursable in February last; but the authorities of the State refusing to reimburse it in such funds as could be made available without loss, it remains unpaid.

It is also proper to state that the authorities of the State of Indiana have failed to provide for the payment of the interest accruing within the last year on the sum of \$141,000—part of the bonds of that State embraced in the exhibit of stocks.

The books of the Treasury show no change in the Chickasaw orphan fund arising under the 8th article of the treaty of 1st July, 1834, since the last exhibit. It will be seen, however, from the statement marked B, that sales to the amount of \$3,842 64 have been effected within the 2d, 3d, and 4th quarters of the last year, and which will be brought to the credit of the fund in due course.

All which is respectfully submitted.

W. FORWARD,  
*Secretary of the Treasury.*

HON. SAMUEL L. SOUTHWARD,  
*President of the Senate.*
