MEMORIAL

OF

THE LEGISLATURE OF OREGON,

ASKING

Aid for the construction of a military wagon-road between Ashland and Hot Springs, in that State.

JANUARY 25, 1875.—Referred to the Committee on Military Affairs and ordered to be printed.

To the honorable the Congress of the United States :

Your memorialists, the legislative assembly of the State of Oregon, would most respectfully ask the Congress of the United States to aid in the construction and improvement of the Southern Oregon wagon-road, commencing at a point near Ashland, thence via Linkville to Hot Springs, in Goose Lake Valley, Jackson County, Oregon, a distance of one hundred and forty miles. The completion of this road will open up to settlement a vast area of fine grazing and farming lands, and will develop a country naturally rich in mineral and timber of the best quality.

Your memorialists further represent that the interests and convenience of the War Department will be greatly promoted by the construction of this road; that this road, when finished, will be the only thoroughfare leading to that part of the country over which supplies can be taken at all seasons of the year; that the road is indispensable to Fort Klamath, Yanox and Klamath Indian agencies.

Your memorialists, therefore, pray your honorable body to make an appropriation of \$50,000, or such other sum as may be deemed sufficient, to be expended under the authority of the War Department. And your memorialists will ever pray, &c.

Adopted by the senate October 19, 1874.

R. B. COCHRAN,
President of the Senate.

Concurred in by the house October 19, 1874.

JOHN C. DRAIN,
Speaker of the House.
