 Appropriations, New Offices, Etc.

Brought forward...........................................$8,301,500

Appropriations, &c.—Continued.

If the sum of $150,000 herein appropriated for surveys and examinations of the
waters of the Mississippi River, including Rock River, in Wisconsin and Illinois,
shall be insufficient to cover the whole amount required for the completion of the
surveys and examinations of the said waters, the Secretary of War may appropriate the
balance necessary to the conclusion of the surveys and examinations, in the
remains, and in the order of time, of the said surveys and tests to be made.

For the examination and surveys herein provided for, and for incidental repairs of
harbors, for which there is no special appropriation, the sum of $150,000 hereby
appropriated is hereby appropriated: and in every case where examinations or surveys are
made, the report thereon shall embrace such information concerning the
importance, present and prospective, of the
improvements contemplated thereby, and such general conclusions as the
Secretary shall deem necessary.

Whenever hereafter the navigation of any river, lake, harbor, or bay, or other
navigable waters of the United States, shall be obstructed or endangered by any
sunken vessel or water-craft, it shall be the duty of the Secretary of War upon
receipt of such satisfactory information thereof, to cause reasonable notice, of not less than thirty days, to be given, personally
or by publication, at least once a week, in the newspaper published nearest the locality
of such sunken vessel or craft, to all persons interested in such vessel or craft, or in the
cargo thereof, of the purpose of said Secretary, unless the sunken vessel or craft shall be
removed as soon thereafter as practicable by the parties interested therein, to cause the
same to be removed. If such sunken vessel or craft and cargo shall not be removed by
the parties interested therein as soon as practicable after the date of the giving of such
notice by publication, or after such personal service of such notice, as the case may be,
such sunken vessel or craft shall be treated as abandoned and deemed, and the Secretary of
War shall proceed to remove the same. Such sunken vessel or craft and cargo and all
property therein when so removed shall, after reasonable notice of the time and place
of sale, be sold to the highest bidder or bidders for cash, and the proceeds of such sales,
removal of such obstructions, navigation, under the direction of the Secretary of War,
and to be paid out for that purpose on his requisition therefor. The provisions of this
act shall apply to all such wrecks whether removed under this act or under any
other act, and the money so received by the Secretary of War from the sale of such
sunken vessel or craft, and all cargo, may be used for the payment of the cost of
removal of such obstructions to navigation, under the direction of the Secretary of War,
and to be paid out for that purpose on his requisition therefor.

II.—NEW OFFICES CREATED AND THE SALARIES THEREOF.

[Prepared in the office of the Secretary of the Senate.]

By the act (No. 5) to establish a land district in the Territory of Dakota, and locating the office at Grand Forks.

A new land district in Dakota Territory, to be called the Grand Forks district, is established, for which the President is authorized to appoint, in the manner provided by law, a register and receiver, who shall receive the same compensation as is provided by law in relation to existing land offices and officers in said Territory, viz: $500 per annum each and fees.

By the act (No. 9) authorizing the Secretary of the Treasury to appoint a deputy collector at Seaford, Sussex County, Delaware, and for other purposes.

The Secretary of the Treasury is authorized to appoint a deputy collector or other suitable officer at Seaford, Sussex County, Delaware, who shall have power to enter and clear all vessels coming to that port, with a salary not to exceed $500 per annum.

By the act (No. 14) to locate and purchase a new site for the United States Naval Observatory.

A commission is appointed to select a site for a new Naval Observatory, to consist of one member of the Senate Naval Committee, to be chosen by the President of the Senate, one member of the House Naval Committee, to be chosen by the Speaker of the House, and the Superintendent of the Naval Observatory.

No compensation is provided in the act.

By the act (No. 18) authorizing the Secretary of the Treasury to appoint a deputy collector at Lake Charles, Louisiana.

The Secretary of the Treasury is authorized to appoint a deputy collector at Lake Charles, Calcasieu Parish, State of Louisiana, who shall have power to enter and clear all vessels coming to that port.

No compensation is provided in the act.

By the act (No. 23) authorizing the Secretary of the Interior and Secretary of War to employ additional clerks for the balance of this fiscal year to expedite the settlement of pension applications, and for other purposes.

There is appropriated the sum of $48,000 for the employment of additional clerks in the Pension Office, but the salaries of said clerks shall not exceed the sum of $100 per month.

The Secretary of War is authorized to appoint seventy additional clerks, forty for the office of the Surgeon-General, at a salary of $83.33 per month each, and thirty clerks for the office of the Adjutant-General, at a salary of $100 per month each, and said clerks shall be exclusively engaged in preparing and making reports to expedite the settlement of pension applications called for by the Commissioner of Pensions, and the sum of $32,000, or so much thereof as may be necessary, is appropriated for the use of the War Department for said purposes.

There is appropriated the sum of $4,800 for the employment of twelve additional clerks in the office of the Second Auditor of the Treasury, at a salary not exceeding $100 per month, which clerks shall be employed exclusively in matters relating to pensions.

By the act (No. 41) to provide for celebrating the one hundredth anniversary of the treaty of peace and the recognition of American Independence, by holding an international exhibition of arts, manufactures, and the products of the soil and mine, in the city of New York, in the State of New York, in the year 1853.

Commissioners, two for each State and one from each Territory and the District of Columbia, shall be appointed by the President of the United States, on the nomination of the governors of the States and Territories respectively, and by the President from the District of Columbia; and in the same manner there shall be appointed two alternate commissioners from each State and one from each Territory of the United States and the District of Columbia, as provided in section 2, who shall assume and
perform the duties of such commissioner or commissioners as may be unable to attend the meetings of the said commission, to prepare and superintend a plan for holding said exhibition; but no compensation shall be paid the commissioners from the Treasury of the United States.

By the act (No. 44) for the establishment of a land office in the Territory of Montana.

A land district in Montana Territory is designated as the district of the Yellowstone, with a land office at Miles City.

The President shall appoint a register and a receiver for said office, who shall be entitled to such compensation as is now provided by law, viz: $500 per annum each and fees.

By the act (No. 75) to carry into effect the resolution of Congress, adopted on the 29th day of October, 1781, in regard to a monumental column, at Yorktown, Virginia, and for other purposes.

A commission of 3 persons shall be appointed by the Secretary of War, whose duty it shall be, to recommend a suitable design for said monument; to prepare a sketch of emblems of the alliance between His Most Christian Majesty, and the United States; and a succinct narrative of the surrender of Earl Cornwallis, to be inscribed on the same; subject to the approval and adoption of the select committee of 13 appointed by the Speaker of the House of Representatives, on the 19th of December, 1879, and of 13 Senators to be appointed by the presiding officer of the Senate, to in-
quire into the expediency of appropriating a suitable sum to be expended in erecting a monument at Yorktown in Virginia, the monument referred to.

It shall be the duty of said joint committee to select the site for the location of said monument, to obtain the cession of the same from the State of Virginia, and to make all necessary arrangements for such a celebration by the American people, of the centennial anniversary of the battle of Yorktown, on the 19th of October, 1881, as shall befit the historical significance of that event, and the present greatness of the Nation.

The sum of $20,000, or so much thereof as may be necessary, is appropriated, out of any money in the Treasury not otherwise appropriated, for the purpose of defraying the expenses incurred in the said centennial celebration.

No compensation is provided in the act.

By the act (No. 78) to authorize the President to appoint an officer of the Navy or the Marine Corps to perform the duties of solicitor and judge-advocate-general, &c., and to fix the rank and pay of such officer.

The President of the United States is authorized to appoint, for the term of four years, by and with the advice and consent of the Senate, from the officers of the Navy or the Marine Corps, a judge-advocate-general of the Navy, with the rank, pay, and allowances of a captain in the Navy or a colonel in the Marine Corps, as the case may be. And the officer of said rank of judge-advocate-general shall be in the Navy Department, where he shall, under the direction of the Secretary of the Navy, receive, revise, and have recorded the proceedings of all courts-martial, courts of inquiry, and boards for the examination of officers for retirement and promotion in the naval service, and perform such other duties as have heretofore been performed by the solicitor and naval judge-advocate-general.

By the act (No. 82) to provide additional accommodations for the Library of Congress.

A joint select committee, consisting of three Senators and three Members of the House of Representatives, shall have power to employ, as soon as may be, at the expense of the United States, three persons of suitable skill and attainments, who, or a majority of whom, shall, with the approval of said committee, carefully examine and consider what practicable and beneficial changes can be made in and of the Capitol building in the District of Columbia, for the better accommodation of the Houses of Congress and of the Congressional Library. They shall, if they find any mode or modes of accomplishing the ends aforesaid practicable and beneficial, cause proper plans, designs, and estimates of cost to be made thereof, and submit the same to said committee, which shall report the same to Congress at the earliest practicable time. And said committee shall in any case make a full report on the subject, and especially whether such mode of providing for the Library is preferable to the erection of a separate building for that purpose.

Said joint select committee is also authorized and directed at the same time to examine the question of a site outside the Capitol for the Library of Congress, and report to Congress what locations would be most suitable for the Library and afford the highest advantages for its future growth and permanent accommodation, and also in the case of each site the probable cost of the same and of the building.

The sum of five thousand dollars, or so much thereof as shall be necessary, is appropriated, out of any money in the Treasury not otherwise appropriated, for the purposes named in this act, which shall be paid on vouchers approved by said committee.

By the act (No. 103) to establish a district and circuit court at Chattanooga, Tennessee, and to add the county of Grundy to the eastern district of Tennessee.

The clerks of the district and circuit courts for the eastern district of Tennessee, and the marshal and district attorney for said district, shall perform the duties appertaining to their offices respectively for said courts. And the said clerks and marshals shall each appoint a deputy to reside and keep their offices in the city of Chattanooga, and who shall, in the absence of their principals, do and perform all the duties appertaining to their offices respectively.

No compensation is provided in the act.

By the act (No. 105) authorizing the President of the United States to nominate Doctors Thomas Owens and William Martin assistant surgeons United States Navy.

The President is authorized to nominate to the Senate Doctors Thomas Owens and William Martin, late acting assistant surgeons United States Navy, for appointment as assistant surgeons on the active list, not in the line of promotion, in accordance with the recommendation of the medical examining board now on file in the Navy Department.
By the act (No. 117) to accept and ratify the agreement submitted by the confederated bands of Ute Indians in Colorado, for the sale of their reservation in said State, and for other purposes, and to make the necessary appropriations for carrying out the same.

The President of the United States is authorized and empowered to appoint, by and with the advice and consent of the Senate, five commissioners, who shall receive compensation for their services at the rate of ten dollars per diem while actually engaged, in addition to their actual traveling and other necessary expenses; and said commissioners shall, under such instructions as the Secretary of the Interior may give them, present said agreement to the confederated bands of the Ute Indians in open council for ratification, as provided in the first section of this act; and said commissioners shall have a clerk, at a salary of $200 per month, in addition to his actual traveling and other necessary expenses, and who shall give bond in an amount to be fixed by the Secretary of the Interior, and shall act also as disbursing-officer for said commissioners.
