CERTAIN LANDS IN OKLAHOMA.

JANUARY 8, 1894.—Committed to the Committee of the Whole House on the state of the Union and ordered to be printed.

Mr. McRAE, from the Committee on the Public Lands, submitted the following

REPORT:

[To accompany H. R. 5065.]

The Committee on the Public Lands, to whom was referred the bill (H. R. 3610) to authorize the governor of Oklahoma Territory to lease certain lands, and for other purposes, have had the same under consideration, and report it back with the recommendation that it be laid upon the table and that the accompanying substitute therefor be passed.

The President in his proclamation opening the Cherokee Outlet reserved section 13 in each township, which had not been otherwise reserved or disposed of, for university, agricultural college, and normal school purposes, subject to the action of Congress; and also reserved section 33 in each township, which had not been otherwise reserved or disposed of, for public buildings. The proclamation as to these lands was as follows:

Excepting also that section 13 in each township, which has not been otherwise reserved or disposed of, is hereby reserved for university, agricultural college, and normal school purposes, subject to the action of Congress; excepting also that section 33 in each township, which has not been otherwise reserved or disposed of, is hereby reserved for public buildings.

This bill will ratify the said reservations made by the President and authorize the leasing of the lands for a period of not exceeding three years for the purposes for which they were reserved.
